

PHOTOSYNTHESIS - ANTENNA PROTEINS

Allophycocyanin(AP)

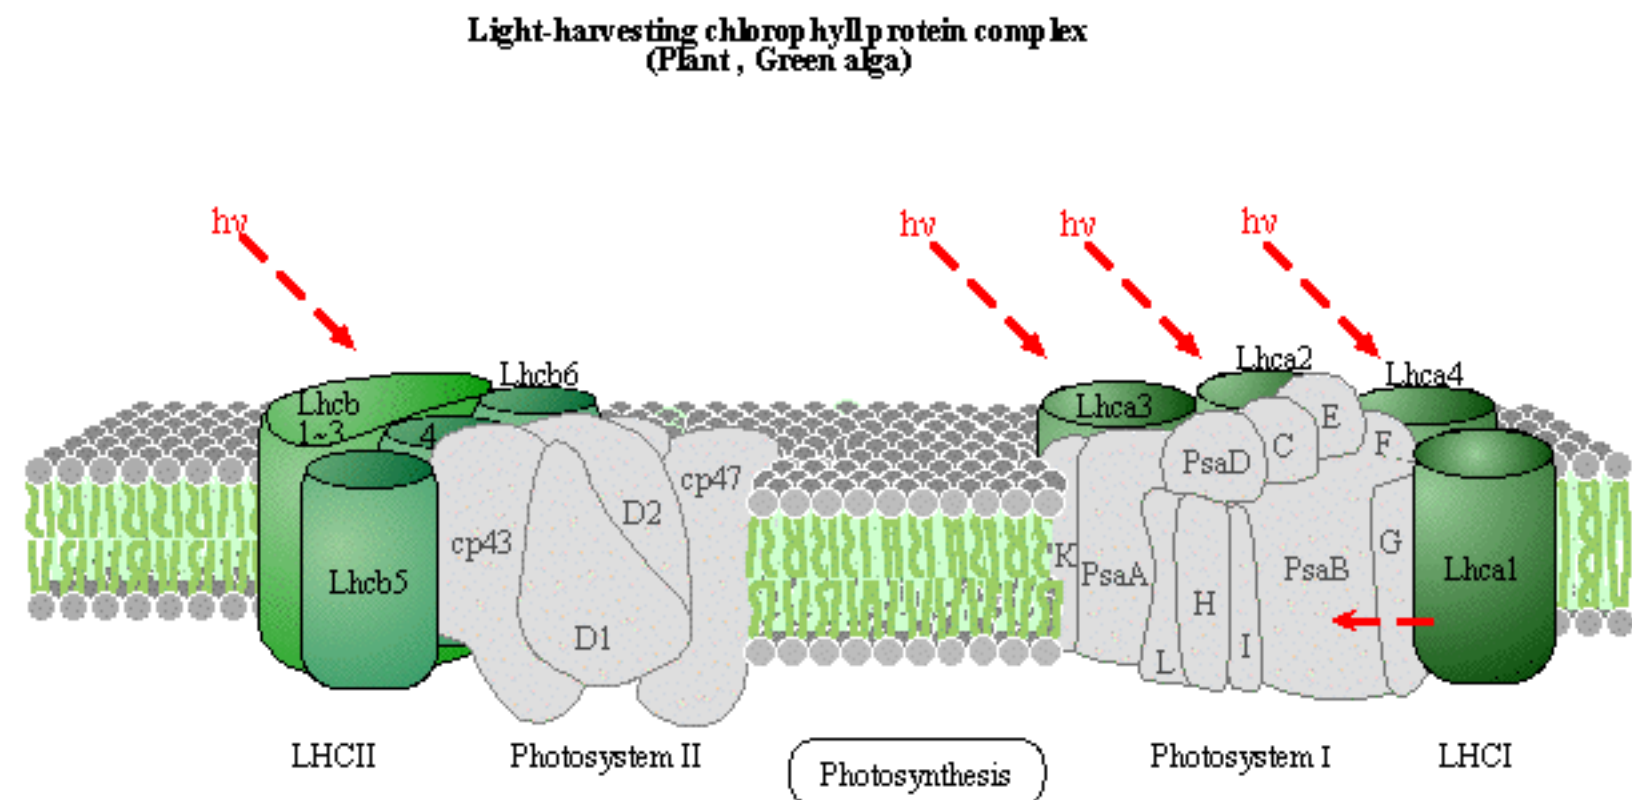

| | | | | | |
|--------|--------|--------|--------|--------|--------|
| K02092 | K02093 | K02094 | K02095 | K02096 | K02097 |
|--------|--------|--------|--------|--------|--------|

Phycocyanin(PC) / Phycoerythrocyanin(PEC)

| | | | | | | |
|-----------|-----------|-----------|--------|-----------|-----------|--------|
| K02284... | K02285... | K02286... | K02287 | K02288... | K02289... | K02290 |
|-----------|-----------|-----------|--------|-----------|-----------|--------|

Phycoerythrin(PE)

| | | | | | | | | | | |
|--------|--------|--------|--------|--------|--------|--------|--------|--------|--------|--------|
| K05376 | K05377 | K05378 | K05379 | K05380 | K05381 | K05382 | K05383 | K05384 | K05385 | K05386 |
|--------|--------|--------|--------|--------|--------|--------|--------|--------|--------|--------|

Light-harvesting chlorophyll protein complex(LHC)

| | | | | |
|--------|--------|--------|--------|--------|
| K08907 | K08908 | K08909 | K08910 | K08911 |
|--------|--------|--------|--------|--------|

| | | | | | | |
|--------|--------|--------|--------|--------|--------|--------|
| K08912 | K08913 | K08914 | K08915 | K08916 | K08917 | K14172 |
|--------|--------|--------|--------|--------|--------|--------|
