

TYPE I POLYKETIDE STRUCTURES

12-Memberd macrolides

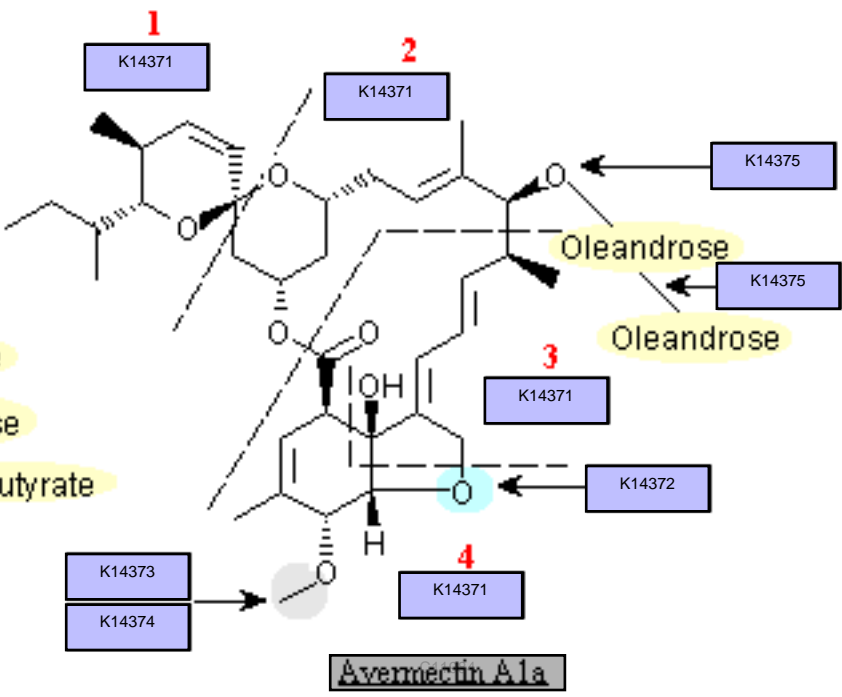

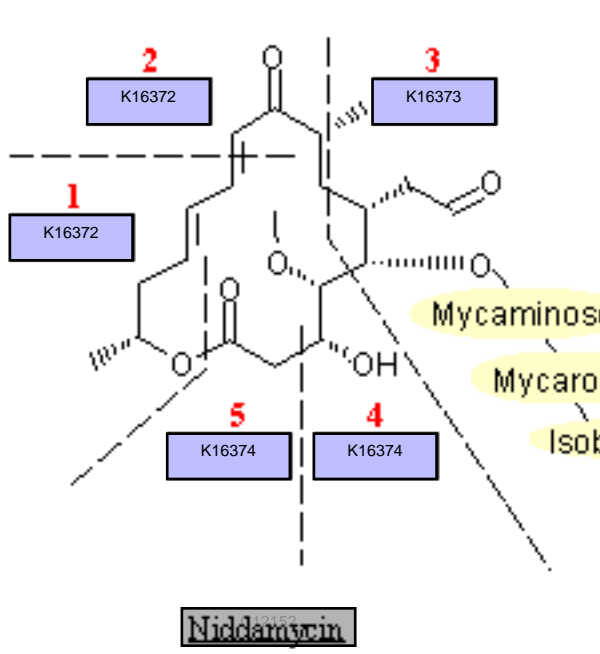

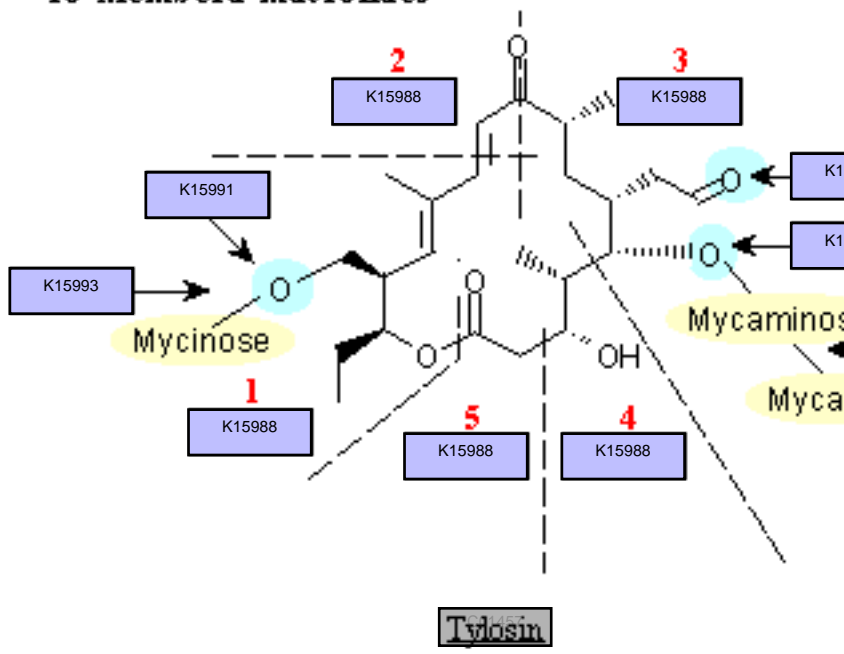

14-Memberd macrolides

Macrolides and ketolides

Macrolides and ketolides

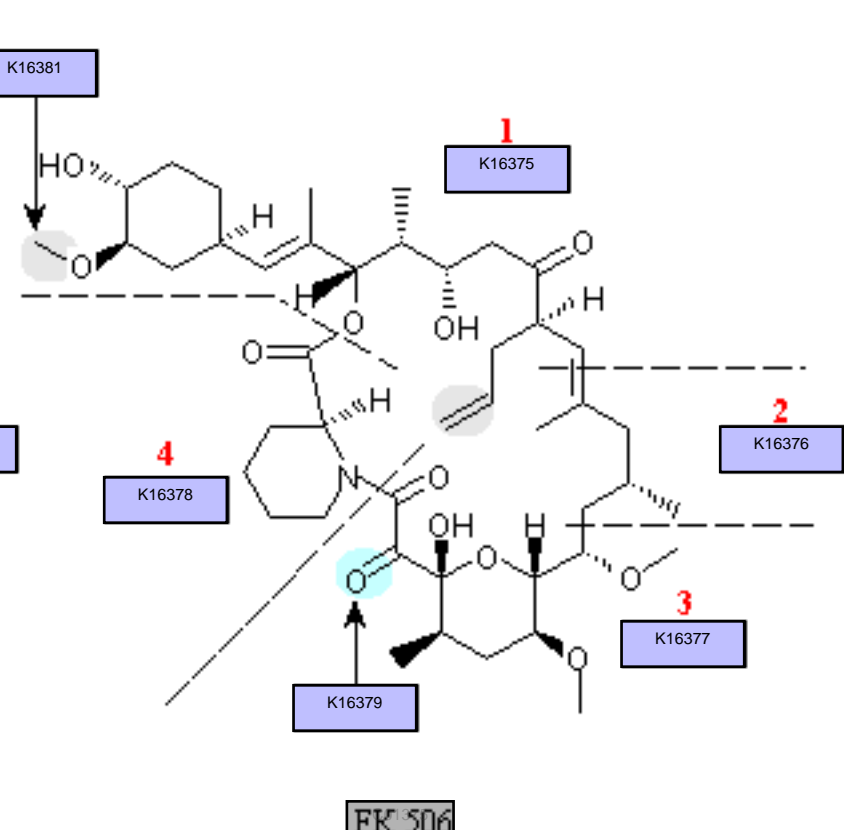

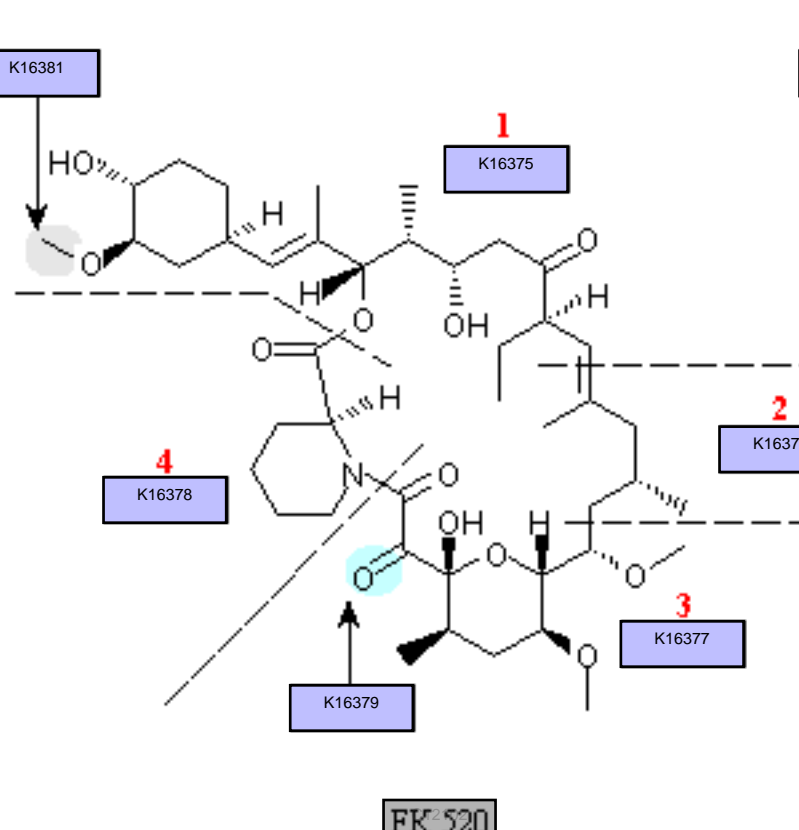

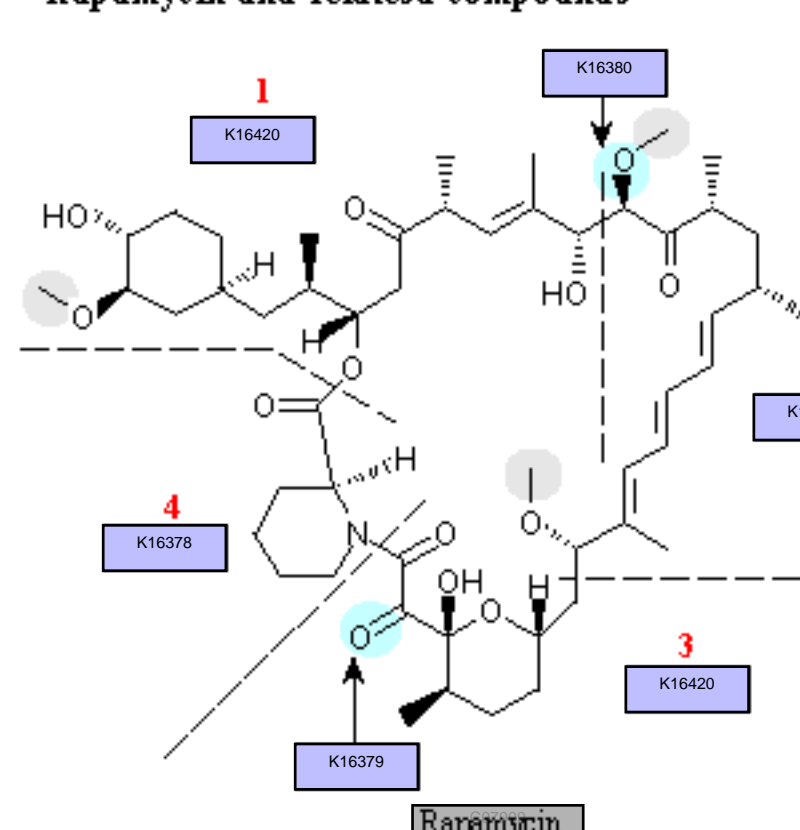

16-Memberd macrolides

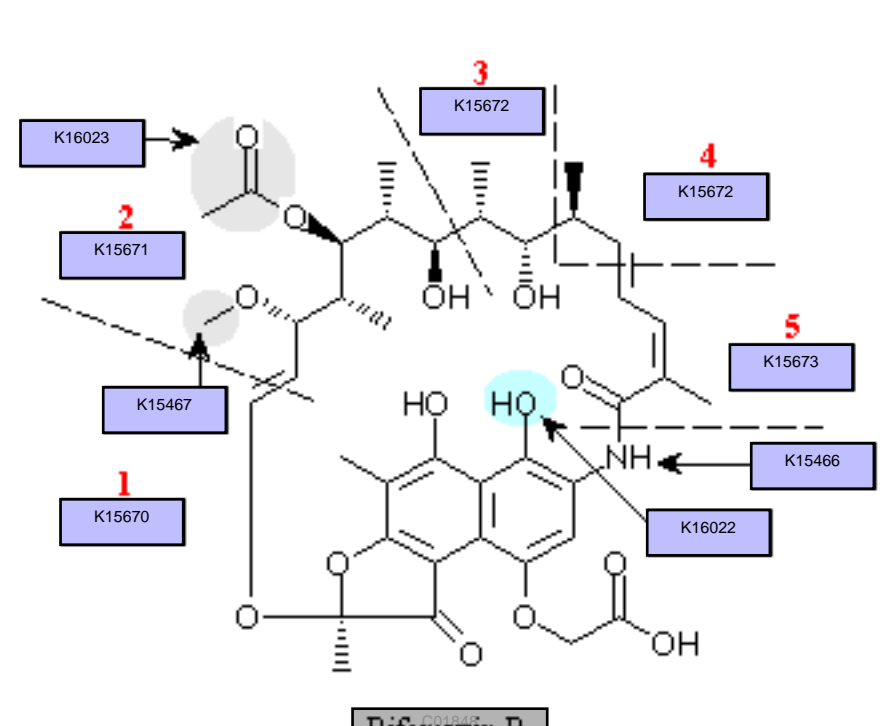

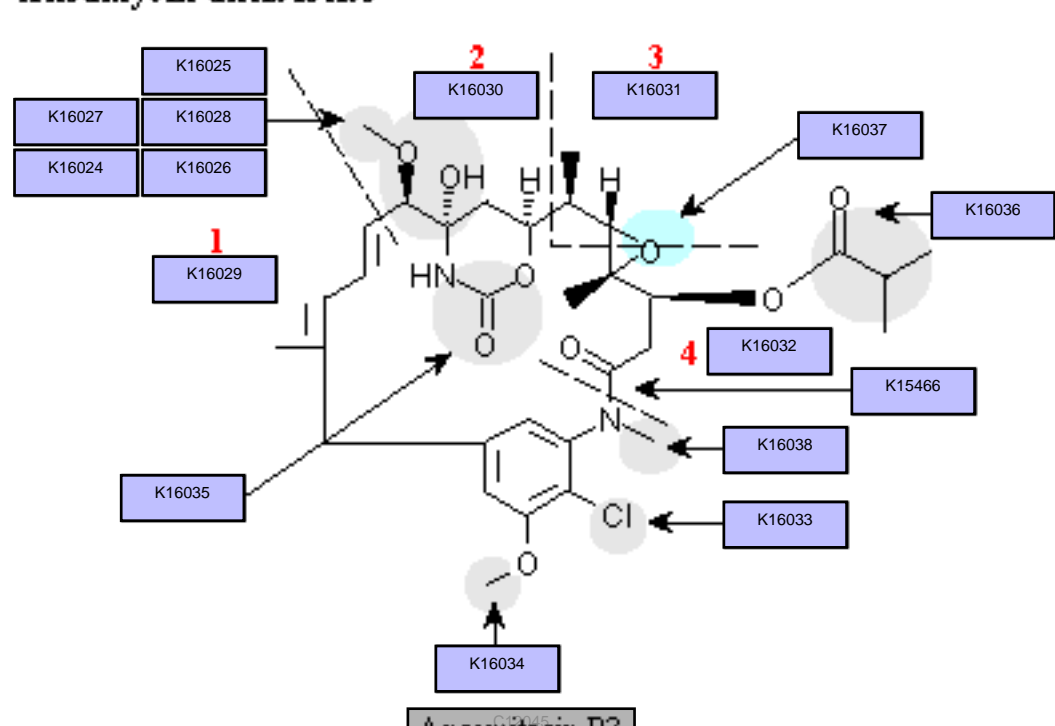

Biosynthesis of 12-, 14- and 16-membered macrolides

Macrolides and ketolides

Rapamycin and related compounds

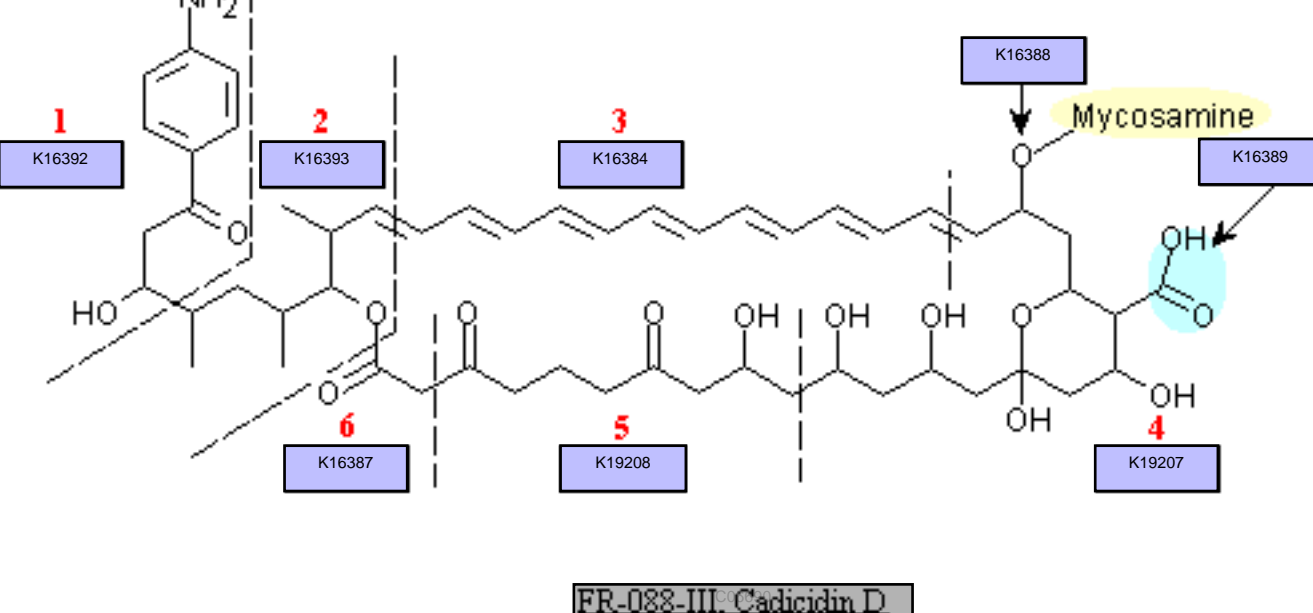

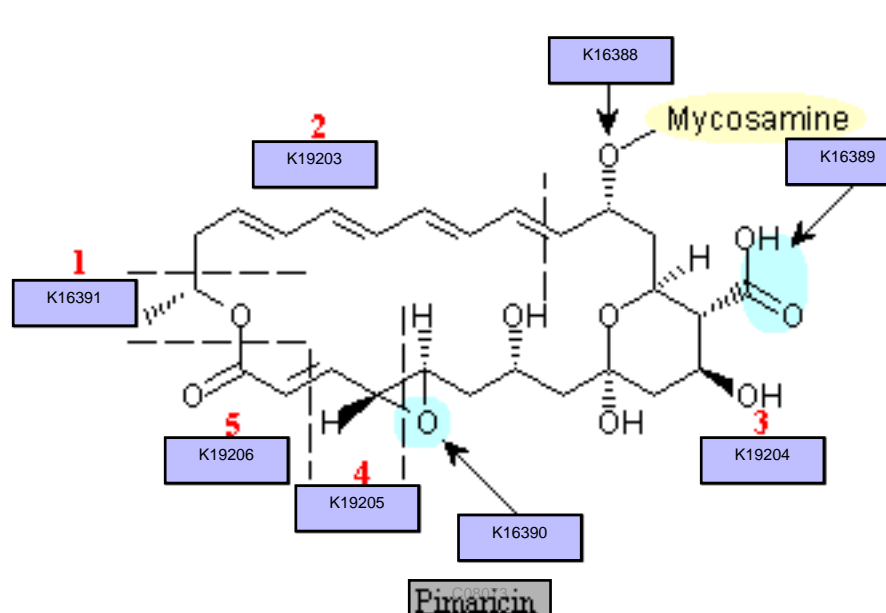

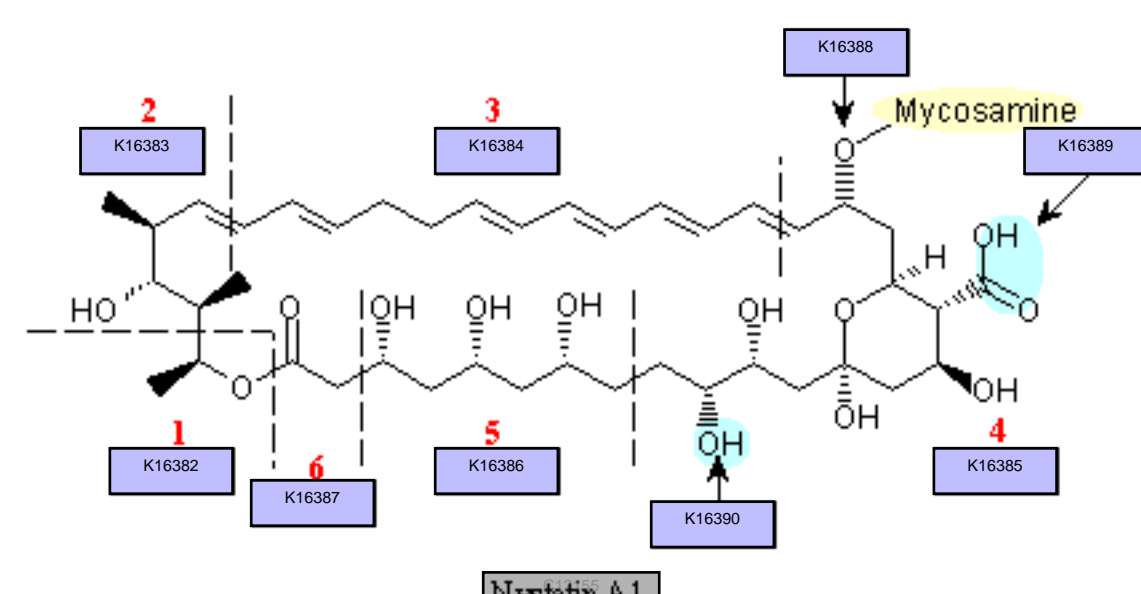

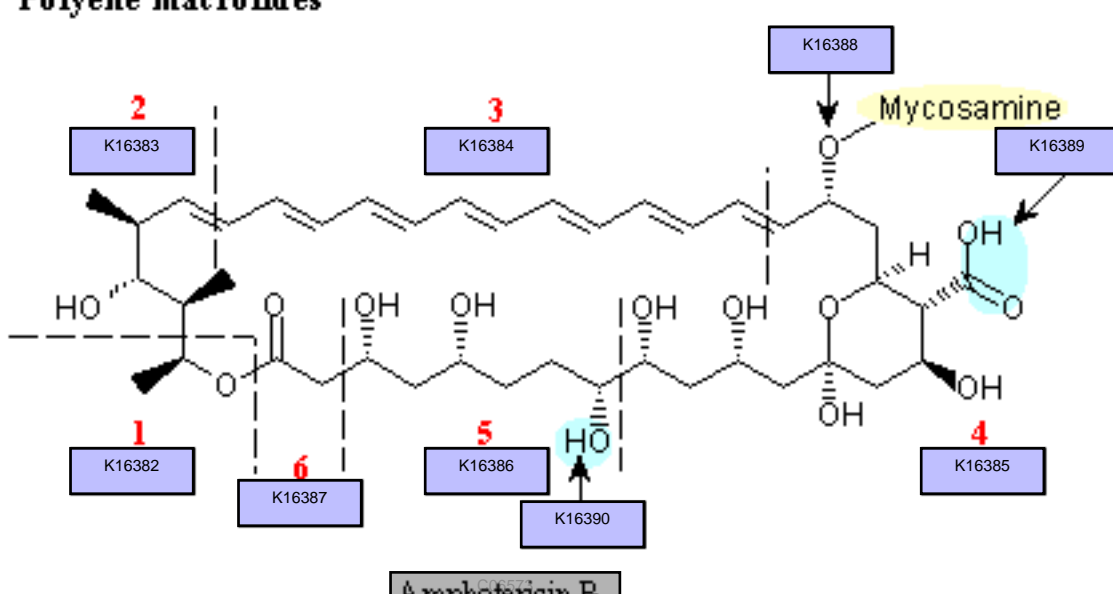

Ansamycin antibiotics

Biosynthesis of ansamycins

Polyene macrolides

Myxobacterial products
